Enter the sum of all "TOTAL WTs" from far right column. (You will need it for calculating shipping & handling later):

↓

Subtotal (all items ordered): \$ \_\_\_\_\_

Shipping & Handling to 48 contiguous U.S. States (Please use charts on the next page): \$ \_\_\_\_\_

Shipping & Handling to HI, AK, and outside the U.S. (Please call us to calculate for you then enter here): \$ \_\_\_\_\_

**Total:** \$ \_\_\_\_\_

1. **Determine your shipping and handling charges:** Locate the zip code that your order is shipping to and then use the Shipping & Handling Chart below to determine the shipping & handling charges for this order.

If your order is shipping to zip code:	Refer to this column on the chart:
37500-38799; 50000-59999; 61000-69999; 71000-79799	A
79800-92999; 97000-99999	B
93000-96999	C
All other Zip Codes	D

**Note:** This chart is good for up to 25 lbs. Please call us to calculate shipping if your order is more than 25 lbs. The "total weight of your order" is the number you wrote in the box on the previous page.

If the total weight of your order is:		A		B		C		D
